

## **LOCAL MEDICAL SERVICES PROVIDERS**

**DISCLAIMER:** The U.S. Embassy assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the medical professionals, medical facilities or air ambulance services whose names appear on the following lists. Names are listed alphabetically, and the order in which they appear has no other significance. Professional credentials and areas of expertise are provided directly by the medical professional, medical facility or air ambulance service.

**MEDICAL FACILITIES AND HEALTH INFORMATION:** Though there are many competent physicians in Armenia, medical care facilities are limited, especially outside the major cities. The U.S. Embassy maintains a list of English-speaking physicians in the area. Most prescription medications are available, but the quality varies. Elderly travelers and those with existing health problems may be at risk due to inadequate medical facilities.

Information on vaccinations and other health precautions, such as safe food and water precautions and insect bite protection, may be obtained from the Centers for Disease Control and Prevention's (CDC) hotline for international travelers at 1-877-FYI-TRIP (1-877-394-8747) or via the CDC website, [www.cdc.gov](http://www.cdc.gov). For information about outbreaks of infectious diseases abroad, consult the infectious diseases section of the World Health Organization (WHO) website, [http://www.who.int/topics/infectious\\_diseases/en/](http://www.who.int/topics/infectious_diseases/en/). The WHO website also contains additional health information for travelers, including detailed country-specific health information.

**MEDICAL INSURANCE:** The Department of State strongly urges U.S. citizens to consult their medical insurance company prior to traveling abroad. Important questions are whether the policy applies overseas and whether it covers emergency expenses such as a medical evacuation. For more information, please see our medical insurance overseas page: [http://travel.state.gov/travel/cis\\_pa\\_tw/cis/cis\\_1470.html](http://travel.state.gov/travel/cis_pa_tw/cis/cis_1470.html)
